[report, well locations 20170609.docx](#)

All: I attached a summary of the discussion Friday morning, regarding additional Haskell Lake well installations recommended to WDNR by EPA and LDF. The 4th Thursday (22 June) was suggested for the next tech meeting. There was also some discussion of manager meetings to address different issues, but no dates were offered. Please confirm or arrange dates for either meeting and inform appropriate attendees. Thanks.

V/r,

Anthony Greenwater, Director
